

Recycled Plastic Hoarding Board

TOUGH

Reusable site hoarding: withstands the demands of the construction industry, urban environments and the worst of UK weather .

COST EFFECTIVE

Re-usable hoarding: Requires no painting / treatment. Reduces overall project costs

SUSTAINABLE

Up your project's sustainability and demonstrate your environmental commitment. At end of use our materials are recycled.

Key Benefits of EKOply Hoarding

- Rigid sheet available in 19mm & 12mm
- Available in grey, white fleck, green & blue
- It can be cut/screwed in the same way as timber
- Tough and durable
- No maintenance costs
- Vandal Resistant
- Rot and weatherproof

Rotten timber plywood makes a site look untidy, and can impact security.

FAQ and technical datasheets are available on request.

*As recycled sheets, there are different shades produced depending on the waste plastic used in production
